

NorthCentral MISSOURI COLLEGE

Online Dual Credit Program

NCMC's Online Dual Credit Program allows qualified high school students to enroll in college-level classes that earn both high school and college credit. The program is operated jointly by the high school and North Central Missouri College. Students receive credit at both institutions upon successful completion of a dual credit course or courses.

Top 3 Reasons to Enroll in NCMC Online Dual Credit:

1. **PAY LESS!** Online Dual Credit Courses are \$90 per credit hour vs. the Traditional Online Course cost of \$150 per credit hour! Same class format but lower cost for you!
2. **INTERACT!** Online Dual Credit Courses are taught by the same NCMC Faculty that teach these courses at the College!
3. **GET A HEAD START!** Online Dual Credit gives you experience with an online course platform that is widely used by many Colleges and Universities!
