The Foundation for Rural Service (FRS), in cooperation with NTCA–The Rural Broadband Association, seeks to sustain and enhance the quality of life throughout rural America by advancing an understanding of rural telecommunications issues. Through its various programs and initiatives, FRS strongly supports the continuing education of rural youth.

In 2014, FRS will award one scholarship per geographic region of the NTCA membership and one to a student sponsored by an NTCA associate member. The remaining awards (Staurulakis Family Scholarships and TMS Scholarships) will be distributed proportionate to the number of applications received per region. FRS will fund \$2,000 of each scholarship, with the sponsoring organization of each winning student providing a \$500 match.

Four \$5,000 FRS Staurulakis Family Scholarships will be awarded. Students who are majoring in math, science, engineering or medicine will be given preference.

In addition, two \$1,500 TMS scholarships will be awarded.

Eligibility

Each applicant must:

- Be a graduating high school senior.
- Be a United States citizen.
- Be sponsored by a current NTCA member¹ (except for students sponsored by an associate member company).

- Have at least a C grade point average (GPA).
