

Tyler SIS Student 360 Mobile

Overview

Tyler SIS Student 360 Mobile is a mobile phone app version of the Tyler SIS Student 360 Parent Portal available on both iOS and Android. It can be downloaded from the Apple iTunes iOS App Store and the Google Play App Store.

The app is compatible with iPhones and iPads running iOS 8.4 or later and Android devices running Android 4.4 and later. While Tyler SIS Student 360 Mobile is compatible with larger devices, it contains a subset of the features available in the browser application. You can use the browser app on larger devices with Chrome on Android and Safari on iOS.

The Android and iOS versions are similar, but differences in hardware and platforms will result in slightly different appearances on some screens. Such differences are highlighted in this document.

Installing Tyler SIS Mobile

Download Tyler SIS Student 360 Mobile from Apple iTunes or Google Play. The app is free.

- [iOS](#) (iPhone and iPad)

Logging in

The first time you launch Student 360, you will be prompted to search for your district either by name or by ZIP code. If you select the wrong district or need to change districts, you will be able to do so later from the Settings screen.

The top screenshot shows the 'Welcome' screen of the Tyler SIS Student 360 Mobile app. It has a blue header with the Tyler SIS logo. Below the header, it says 'Tyler SIS Student 360' in green. Then, 'Thanks for installing Student 360!' in bold. Below that, it says 'Before you log in, select the school district where your student is enrolled.' and 'Please tap Continue to select a district. Settings can be changed later from the Login screen.' There is a 'NOTE: Not all Tyler districts are using Tyler SIS Student 360. If your district is not found, wait until you hear from your district that Tyler SIS Student 360 has been enabled.' At the bottom is a blue 'Continue' button.

The bottom screenshot shows the 'Select District' screen. It has a blue header with the Tyler SIS logo. Below the header, it says 'Select District' in green. Then, 'Enter at least the first 3 characters of your zip code or school district name.' Below that is a search bar with '040' entered. At the bottom is a blue 'Search' button. Below the search bar, it says 'Search Results' in green. Then, 'Please tap a district to select...' and 'Edwards School District v9' with 'Yarmouth, ME 04096' below it. There is a right arrow next to the district name.

If for any reason you cannot find your district on the search screen, please wait until you receive an announcement from your district that Tyler SIS Student 360 is available.

Upon tapping Continue, enter at least the first three letters of the district's name or the first three digits of the district's ZIP code. Tap the Search button to search for districts. Tap the district where your student is enrolled to proceed to the login page.

Within Tyler SIS Student 360, the Top Bar of the application will have some icons that help you navigate the app.

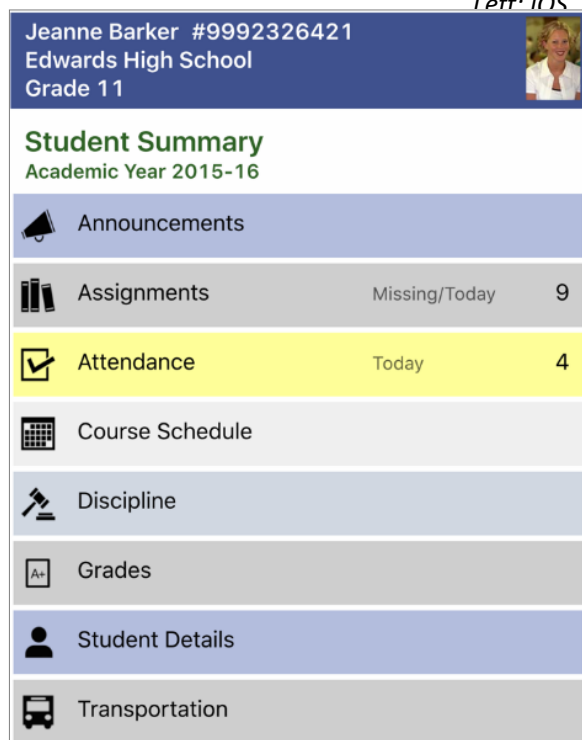

-  - return to the list of students (hidden if logged in as a student, or if only one student is found in the household)
-  - access user preferences. The preferences available depend on the options enabled by your district, and whether you are logged into Student 360 as a parent, student, or staff member.

Android devices have a built-in Back button, either at the bottom of the screen or as a hardware button on the device. Tyler SIS uses this built-in Back functionality to return to the previous screen. On iOS, since there is no Back button, a standard left-pointing arrow at the top of the screen with a label will take you back to the previous page.

The Student Summary screen shows all of the areas available in Tyler SIS Student 360 for the selected student. Note that some of these items may not appear if they are not enabled by your district.

At the top of the screen, the student's name, number, primary enrollment school, and grade level are displayed on the left, while the student's photo appears on the right.

Some tiles may appear yellow to indicate that there is an alert to see. In this case, the Attendance tile is yellow to indicate that the student was absent for all or part of the current day.

To see more detail about an area, tap the tile to be taken to that screen.

Announcements

The Announcements screen displays any District-wide, School-specific, and Course-specific announcements. Each announcement appears on a single line with an arrow ► icon to the left. Tapping an Announcement's row will expand that announcement to show the text. Tapping the row again will collapse the announcement.

New Announcements

When you first log into Student 360, you will be automatically taken to a screen that shows any new announcements that have been added since your last login. Simply press the Home icon in the upper left (iOS) or Back button (Android) to return to the student listing.

The Course Schedule screen shows the courses in which the student is enrolled for three time periods. Switch between these views using the tabs at the top of the screen.

- Today – shows only the courses that meet today
- Term – shows only the courses that meet in the current term
- All – shows all courses on the student’s schedule

Each course displays with the room number, term, name, and teacher. If the teacher has an email address, an ✉ icon appears and the name will be underlined. Tapping a teacher’s name will start an email to the teacher.
