c/o Tina-Avalon R-II School
11896 Hwy 65

Your application will be screened and the scholarship winner chosen by persons outside the immediate Tina-Avalon community. Therefore, the quality of your application and recommendations is vital. The scholarship winner will be announced at the Tina-Avalon graduation exercises. An alternate will be chosen in case the winner fails to complete the enrollment for the fall semester immediately following graduation.

The total scholarship will be \$500.00. A check for the full amount will be sent to the Registrar's office upon proof of enrollment as a full time student in an accredited college or technical school.

The applicants will be judged on quality of the essays, commitment to completing a high education, active involvement in school and community, promising academic standing, and on information contained in letters of recommendation. In the event that 2 applicants are judged equally deserving, need will become the determining factor.

Applications should be accompanied by two letters of recommendation. One should be from a representative of the Tina-Avalon School and one from someone who is not affiliated with the school. Applicants should ask for the recommendation to be returned to inside a sealed envelope with the signature of the recommending person across the seal of the envelope. The recommendations in the sealed envelopes should accompany your application.
