The Tina-Avalon School District will move to virtual learning starting on Thursday, November 5, 2020. Due to the high spread of COVID-19, we felt it was in our students' best interest to take a step back and do all virtual learning for two weeks. We hope to resume in-person learning on Thursday, November 19, 2020.

Students will bring their devices home today. PK-3rd grade will work on a schedule that each classroom teacher will work out. 4th-6th grade will have a daily schedule they will need to follow. 7th-12th grade will have a schedule to follow. The school day will begin at 7:50 AM and students will be expected to log in with their teachers. Attendance is expected and will be tracked on the SIS system. There are a number of training videos on the Tina-Avalon web page that can help parents. All 4th-12th grade students have been taught how to log in to Google Classroom.

We will begin meal deliveries on Thursday, November 4. These bus routes will take about an hour and will run daily starting at 10 AM. We will drop off breakfast and lunch each day. If you DO NOT want to participate in the meal delivery please contact the high school office by phone by 5 PM on Wednesday, November 4 OR email tzahl@tinaavalon.k12.mo.us If your student needs to pick something up from school, please contact the high school office.

If your child becomes symptomatic of COVID-19, please contact your healthcare provider. If you have questions, please contact the Carroll County Health Department at 660-542-3247.
