CURT GROSSMAN, Member
TODD ROUNKLES, Member**

The Tina-Avalon School District was notified that a teacher tested positive for COVID-19. District staff and the Carroll County Health Department have contact-traced individuals who may have come into contact with the teacher. Those individuals have been notified by the Health Department and will be required to quarantine for 14 days.

Students who are under quarantine will transition to virtual learning until their quarantine is over at which time they can come back to school. Our staff will work with the students to make this a successful transition.

If your child becomes symptomatic of COVID-19, please contact your health care provider. If you have questions, please contact the Carroll County Health Department at 660-542-3247.

Symptoms of COVID-19

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Nausea, vomiting or diarrhea
- Muscle pain
- Sore throat
- New loss of taste or smell

I would like to remind families that Tina-Avalon School will remain open to those students not under quarantine. Those under quarantine have the option of curb-side meals. If you are interested in curb-side meals or have questions, please call the office 660-622-4211.

Sincerely,

Jana Holcer
Superintendent
