The Tina-Avalon School District has been monitoring the COVID-19 virus. It has been decided to remain closed through April 24th as this is in the best interest of our students. It is our hope that the students can return on Monday, April 27th.

Beginning Monday, April 6th the school district will begin providing breakfast and lunch for the Tina-Avalon students. If you are interested in this service, please contact the school on Monday, March 30th by 2:00 pm or email Mrs. Jana Holcer at jholcer@tinaavalon.k12.mo.us

Teachers will begin entering grades into SIS on Monday, April 6th for past and present work. This will allow you access to your student's grades. Please be sure to check with your child's teacher on any questions you may have. The best way to reach teachers is through email. Teachers are checking their emails daily.

We will pick up past homework that is in copy form on Monday, April 6th. We will also drop off new homework on this date. If your student's homework is through chrome book you would not receive paperwork. Time of pick up will be announced.

We appreciate all of your help thus far in educating your child/children. It is our hope that we continue to educate while we are not in school. We believe it is important for your child/children to continue to advance in their educational journey.

If you have questions, please call the school.

Sincerely,

Jana Holcer
Superintendent
