LIVE WELL COMMUNITY HEALTH CENTERS

**has partnered with your school to
aid in your child's dental care!**

The best part is, WE come TO them!

Here's how it works:

1. Fill out required registration paperwork for each child.

This paperwork is available at your child's school or on their website.

2. Turn paperwork into the school nurse..

3. Our Outreach Coordinator will contact you with a time frame of when your child will be seen for their initial check-up, which will be on the dental van during their school day.

4. If any treatment is diagnosed, an additional phone call will be made to you so options can be discussed.

5. We accept most insurances including Medicaid and will handle all dental claim submissions.

6. We also offer an Income Based Slide Fee option, if no insurance is available.

If you have any questions call Live Well at 660.493.2262 and ask to speak to the Outreach Coordinator.
