Graduation Friendship

We're graduating, and we know
Our lives will be different and new;
We're going out into the world,
Our goals and dreams to pursue.

But one thing will never, ever change,
As we go our separate ways;
The friends we've made in school will be
Our friends for the rest of our days.

The special ties and attachments
we've made,
These bonds will never be broken;
We'll continue to feel the closeness,
Though words may not be spoken.

So it's not "goodbye,"
but rather "farewell;"
I'll see you again, my friend.
Your friendship means a lot to me,
And it will never end.
