Good business attire - great job looking like a team.
Great handshakes and introduction of selves and presentation.

Great vocal tone and eye contact

Loved the introduction video

Graphics consistent and slow enough so not to make the judges sick.

Nice job knowing your presentation and also making eye references to the screen.

Good range of topics included in your presentation, and good progression through the typical business dinner.

Thank you for addressing the review of your presentation.

Thank you for including a works cited page.

Good job knowing your presentation program.

Thanks for providing handouts.
