

# NEED TO KNOW STUFF FOR *Mrs. Rucker's* MULTIMEDIA CLASS

Illustration \* Video \* Audio \* Photo

## COURSE SYLLABUS

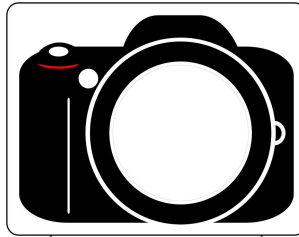

**Description:** This two semester course will teach students how to use Adobe Photoshop to create images, enable students to create vector images and logos using Adobe Illustrator, perform audio editing using GarageBand, apply basic non-linear video editing techniques using iMovie, and prepare video for online distribution.

### SUPPLIES NEEDED

- ★ Folder for notes & handouts (we do not have a book)
- ★ Writing utensil
- ★ **OPTIONAL:** full size SD card (any size works; if you do not have one, you will share a classroom card)

Students are expected to be responsible, clean up their workspace, and use equipment carefully in the classroom.

Settings > Camera > Formats  
**\*Most Compatible\***

### MAJOR THEMES

- ✓ File Management
- ✓ Design Concepts
- ✓ Audio Capture/Editing
- ✓ Video Screen Capture
- ✓ Animation
- ✓ File Conversion
- ✓ Managing Images
- ✓ Creating Illustrations/Logos
- ✓ Video Production

This class is not a spectator class! You will be expected to work with others, speak up, and participate daily!

### CHECK YOUR EMAIL!

Please reach out to me via your school email if you are going to be absent and if you need clarification. I will contact you through this method if I have concern or questions as well. ✓

33%

**MASTERY PROJECTS** (with scoring guides)

33%

**CLASSWORK** (including screenchecks)

34%

**TESTS** (including quizzes; open note)

**Final Exam**

Adobe programs do not run on your Chromebooks; you will have to use the lab machines to complete work. If absent, plan to come in to make up work.

All work is delivered through Google Classroom and all of your assignments must be submitted there.
