# "My Portfolio" Guidelines
## Photoshop Online Portfolio—Checkpoint Sheet

This will be one of the "final" projects in class. You will work on this as the semester goes on—when you have some down time in class or before/after school.

**INSTRUCTIONS:**
1. ☐ Create your portfolio in iWeb
2. ☐ Click on Site in the left hand column:
    a) Publish your site to Local Folder
    b) Site name is Grad Year Your First Name Portfolio
       ie. 2017 Susan's Portfolio
    c) Contact email is srucker@tinaavalon.k12.mo.us
    d) Location, click Browse/Macserver/StudentWebsites/Find
       your folder
    e) URL is:
       http://tinaavalon.k12.mo.us/Student_Websites/2017_Susan_Portfolio
    f) When you get a little further on your portfolio, you will go up to
       File on the menu bar and Publish Entire Site.
3. ☐ Pick Your Theme
4. Your Portfolio should have a minimum of the following pages
    (1) ☐ Welcome-the dominate picture should be a pic of you.
    (2) ☐ About Me-the dominate picture should be a pic of you.
    (3) ☐ Photo page labeled Photoshop
    (4) ☐ None of these pages should include any of your personal (such as full name,
       address, birthdate) or boyfriend/girlfriend information.
5. You will include a brief reflection of your assignments. This is a reflection of YOU, your
   assignments and the knowledge you have gained from them.  Your reflection should
   describe the process (what did you use/features), your satisfaction with it, frustration,
   etc. . . .
6. The projects you are to include in your portfolio are:
    (1) ☐ L5 Magazine Cover
    (2) ☐ L6 Photo in Text
